

Lab Test Policy Disclaimer

It is our policy that you will need to have lab tests done before or during your initial visit.

You may bring us a copy of lab work from your physician done within the past 12 months, or you can have your lab work done here for \$40.00.

The lab tests needed are as follows:

TSH -Thyroid Stimulating Hormone
CMP-Complete Metabolic Panel
CBC-Complete Blood Count

*If lab tests are not received or done on initial visit, treatment may be delayed.

I have read the above and agree to the terms.
